We are so excited to be adding activities back to our schedule.

Please note that we will be taking small steps to add activities to our schedule a few at a time.

Classes and activities may not return to the same day or time slot as before, as we need to make adjustments for cleaning the facility and for adequate spacing in available classrooms.

We are in the process of updating our Policies and Procedures to reflect the changes we have in place in accordance with safety guidelines for the health and safety of our citizens and staff. Due to our new procedures, we no longer offer impromptu room reservations or activities in the dining area.

**If you do not see your favorite activity listed, please call 385-6439
to let us know what activity you would like to see return to the schedule.**

If you would like to propose a new activity or change a previous activity, please pick up a proposal form at the front desk. Forms may be left at the front desk once completed.
