**PRESS RELEASE
CITY OF BARTLETT, TN
MAYOR A. KEITH MCDONALD
APRIL 30, 2020**

Effective Monday, May 4, 2020 the City of Bartlett, along with Shelby County and the other municipalities within Shelby County, will be entering into Phase I of the Back-to-Business framework document.

We, as others, are anxious to get the economy started again. This does not mean that you should let your guard down. Some people will still need to stay at home. We encourage all to:

- Wear some kind of mask that covers your mouth and nose when out in public and around other people.
- Continue social distancing to maintain a minimum six-foot distance between individuals, or entire household units of up to six persons defined as residing at the same address, and other individuals.
- Sneeze or cough into a cloth or tissue or, if unavailable, into one's arm; and to not shake hands or engage in any unnecessary physical contact.
- Wash hands often with soap and water for a minimum of 20 seconds and use hand sanitizer with a minimum of 60% alcohol.

Businesses that are not able to open under the guidance of the Back-to-Business document may continue curbside and pick up of goods.

The Back-to-Business document can be found on our website, www.cityofbartlett.org.
