Bartlett Senior Center

Reopening Policies and Procedures

COVID-19 / 2020

The Bartlett Senior Center (the Center) has adjusted the schedule of activities as well as safety guidelines. Businesses and organizations across the region have been slowly reopening to the public in phases with many guidelines and restrictions in place for each phase for the safety of our citizens. Our guidelines are based upon information gathered from the City of Bartlett, the Shelby County Health Department, Tennessee State Government, Centers for Disease Control (CDC), and the National Recreation and Parks Association.

We appreciate our members being patient during each of the phases.

1. Health and Safety

Signage - Signs will be posted at each public entrance to the facilities to inform all employees and customers that they should:

- ✓ Avoid entering the facility if they have a cough, fever, or other signs/symptoms of COVID-19
- ✓ Maintain a minimum six-foot distance between individuals, or entire household units of up to six persons defined as residing at the same address, and other individuals
- ✓ Sneeze or cough into a cloth or tissue or, if unavailable into one's arm
- ✓ Not shake hands or engage in any unnecessary physical contact.
- ✓ Number of patrons will be limited to 50% occupancy at one time based on social distancing capacity.

A copy of the COVID-19 compliant Protocol is posted at public entrances.

Soap and Water – Soap and water for frequent hand washing is available in the hallway restrooms.

Hand Sanitizer – Hand Sanitizer stations are available at the entrance in the facility lobby, the dining room, exercise room, computer lab and in available classrooms.

Face Covering / Mask – Participants are required to wear a face covering or mask to help in protecting against illness. **For those that cannot wear a mask due to a medical condition, a face shield is required.**

2. Access to the Facility

New Members Welcome – We have opened our registration up to new members. For more information or to make an appointment to start a new membership, please call 901-385-6439.

Screening and Check In at Front Desk – All members must have a scheduled appointment to enter the facility. No walk-ins are available at this time.

All members should enter the Center via the front door. At this time members will be screened by a staff member via questions and a no-touch temperature check. Screening questions include:

- Have you been in close contact with a confirmed case of COVID-19?
- Are you experiencing a cough, shortness of breath or sore throat?

- Have you had a temperature of over 100.4 degrees Fahrenheit in the last 48 hours?
- Have you had vomiting or diarrhea in the last 24 hours?
- Have you experienced a new loss of taste or smell?

Members must check in at the front desk using their bar code scan card. If the scan card is lost or is too damaged to work properly on the scanner, a replacement card must be purchased for \$3.

Members Attend Designated Activity Only – All current activities require an appointment, and members may only attend the designated appointment.

Extended Visits Beyond Activity Appointment - Participants may not be dropped off to stay at the facility for an extended period of time beyond their activity appointment or for the day.

Arrival / Departure Time – Please do not arrive more than five minutes prior to your appointment. If you do arrive more than five minutes prior, please remain in your car or outside until it is time for you to check in. We have staggered our class entry times so we do not have crowding around the check-in desk. With that same safety measure in mind, please do not linger following your appointment.
