The "New Normal"

Let's be honest, the "New Normal" hasn't been easy. The rules change by the minute and the limits haven't exactly been the most exciting thing. However, every adjustment has been worth it for our BRC Family. Thank you for being patient with us as we navigate this new territory. We look forward to continuing to create a place for everyBODY to Run, Swim, Lift & Play.

thank you!

Rentals

We are adopting each directive set forth by the Shelby County Health Department and therefore some BRC amenities are unavailable at this time. We have stopped booking all rentals until further notice. Any rentals that are already booked, will remain as scheduled. If the current phase does not allow the booking to proceed as normal, then it will be fully refunded. Once we have further information and guidance from the Shelby County Health Department that allows us to open back up these amenities, we will post on our social media pages and website.
