**Zumba Gold®** - For active older adults looking for a modified Zumba® class at a lower-intensity. The class has easy-to-follow moves that focus on balance, range of motion and coordination.

**Zumba®** - Perfect for everybody and every body! We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. A total workout, combining cardio and muscle conditioning for balance and flexibility.

**Yoga** - Move through yoga postures to develop strength, endurance, correct body alignment, flexibility and relaxation. Participants improve circulation, coordination and balance. Participants are encouraged to wear comfortable clothing, hydrate prior to class and bring a yoga mat.

**AM Stretch** - Designed for older adults, AM Stretch leads you through a series of seated and standing exercises. Chair support is offered to safely perform a variety of postures designed to increase flexibility, strength, and balance. Part of the class is dedicated to cardio exercises.

**Line Dance** - Our line dance lessons offer a great cardio workout while learning the latest line dance steps.

**Tai Chi** - This is an ancient Chinese tradition that, today, is practiced as a graceful form of exercise. It involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. It has proven to benefit those with arthritis and improves balance.
