

Effective June 10, 2025, Sewer rates increased to fund mandated charges for sewage treated by the City of Memphis. The sewage treatment rate charged by the City of Memphis was effective January 1, 2025; however, the City of Bartlett has absorbed this increase in operating costs for the first six months of calendar year 2025. The last sewer rate increase for Bartlett sewer customers occurred in 2023. Note: Water usage rate remain unchanged.
