The disposition of any such animal shall be determined by a city judge.

SECTION 7. No person shall keep or permit to be kept on such person's premises any vicious animal for display or for exhibition purposes, whether gratuitously or for a fee. SECTION 8.

(b) All equipment used on a performing animal shall fit properly and be in good working condition.

SECTION 9. The owner of any non-livestock animal shall remove any excreta deposited by such owner's animal on public walks, recreation areas, public streets, or private property except where attendants are employed for the purpose of removing the deposits, such as in a horse show arena, at a riding stable or other event or establishment.

SECTION 10. No unclaimed dog or cat shall be released for adoption from an impoundment without being sterilized or without a written agreement from the person adopting the dog or cat guaranteeing that such animal shall be sterilized at the earliest possible time as determined by a licensed veterinarian. The city shall collect at the time of adoption the applicable fees to cover the cost of sterilization and rabies vaccination. In addition, if the animal is a dog that is to be domiciled within the city, the appropriate dog license fee will be collected.

SECTION 11.

(a) The animal control officer and the officer's deputies shall enforce the provisions of this act. It shall be a violation of this act to interfere with any such person in the performance of the person's duties, or to take any animal from that person without designated authority.

(b) The animal control officer shall have the powers and privileges of a police officer of the city solely for the purpose of enforcing the provisions of this act.

SECTION 12. The animal control officer and deputies under the officer's jurisdiction are prohibited from carrying or using firearms in connection with their responsibilities relating to animal control. The animal control officer is authorized to request the assistance of a police officer, and the police officer is authorized to employ the use of firearms in the apprehension of any animal that, in the police officer's opinion, constitutes a threat to human beings or animals.

SECTION 13. The animal control officer or any duly appointed deputy under the officer's jurisdiction is authorized to issue a citation to or seek a subpoena for any individual who, in the officer's opinion, is in violation of the terms and conditions of this act.

SECTION 14.

HB 2378

(a) All dogs three (3) months of age or older or cats six (6) months of age or older shall be immunized against rabies by a licensed veterinarian. The owner must have in such person's possession a current vaccination certificate subject to the inspection of the animal control officer, or designated agent of the city.

(b) If any dog or cat has bitten any person or is suspected of having bitten any person, or is for any reason suspected of being infected with rabies, the animal control officer may cause such dog or cat to be confined or isolated for such time as deemed necessary. The animal may be confined at the animal shelter or a private veterinary hospital. Any charges incurred shall be the responsibility of the owner of the animal.

SECTION 15. The city shall designate an animal control officer and deputy animal control officers whose primary responsibilities include the enforcement and implementation of this act and regulations promulgated thereunder. The animal control officer shall coordinate and administer the activities involving the animal control program and shall be under the direction and supervision of the city administration.

SECTION 16.

(a) The determination of whether a dog is declared dangerous or potentially dangerous shall be made by the municipal court. No dog shall be declared dangerous or potentially dangerous if the threat, injury, or damage caused by such dog was sustained by a person who was committing a crime, or if the dog was provoked by a person cruelly abusing or tormenting him or her.

(b) Any dog, whether or not previously declared dangerous or potentially dangerous, that attacks a person causing death or serious bodily injury, or bites and breaks the skin of a person, shall be impounded and quarantined the proper length of time for rabies observation and testing, if necessary. A summons shall be issued to the owner of such dog allowing the owner five (5) days from receipt to respond and show cause why the municipal court judge should not impose fines, require additional security measures be taken, or order the dog destroyed pursuant to Tennessee Code Annotated, Section 44-17-120(b). This subsection shall not apply if the municipal court judge determines that the injury caused by such dog was sustained by a person who was committing a crime, or was provoked by a person cruelly abusing or tormenting the dog.

SECTION 17. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the legislative body of the City of Bartlett. Its approval or nonapproval shall be proclaimed by the presiding officer of Bartlett and certified to the secretary of state.
