

City of Bartlett
Resolution 6-96 of the Board of Mayor and Aldermen, 2/27/96

**A Resolution Regulating Placement of
Telephone and Cable Television Pedestals and Boxes**

Underground telephone and cable television service shall be provided in all subdivisions. Overhead primary telephone and cable television service may be allowed only in conjunction with overhead electrical service. In all cases, the building service shall be underground and any aboveground pedestals shall be located at the rear of the lot.
